JAMES MONTA BROWN

APPELLANT

APPEAL FROM THE CRITTENDEN
COUNTY CIRCUIT COURT [NO.
CR-2002-847]

V.

APPELLANT'S PRO SE MOTION TO
DISMISS APPEAL

STATE OF ARKANSAS

APPELLEE

GRANTED

Appellant has moved to dismiss his appeal from the revocation of his probation while retaining the right to seek other remedies for what he views as an illegal sentence. Appellant's motion to dismiss his direct appeal from the order revoking his probation and sentencing him to imprisonment is granted with prejudice. This dismissal does not prevent appellant from seeking available post-conviction remedies.
